DETAILED ACTION

Applicants response filed 02/09/2009 is acknowledged.

Telephone Inquiry: Attempts to reach Attorney of Record Tony L. Combs to discuss amendments to place the application in condition for allowance were not successful.

Claims 1 and 42 have been amended.

Response to Applicants Remarks:

Applicant state that Claims 1, 2, 6, 7, 9, 11, 15, and 25 are pending.

However, claims 1, 7, 9, 11, 15, and 42 are pending.

Claim Rejections - 35 USC § 103

Previously presented rejection over Abdulla et al. is withdrawn in view of applicant's arguments.

New Rejection:

Claim Rejections - 35 USC § 112

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claim 1 (and dependent claims 1, 7, 9, 11, 15) rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The proviso in claim 1 is inconsistent with the instant amendment to claim 1 since in the instant formula I, the variable A can not be a CF3.

Likewise, claim 42 rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

According to applicants Remarks amendment to claim 42 finds support in line 3, page 232 which states

16. A composition comprising a compound according to claim 1 in combination with a pharmaceutically acceptable carrier, diluent or excipient.

Pharmaceutical composition claim 42 is an independent claim; however, the new limitations for the formula I of claim 42 is different from the limitations of the compound claim 1 formula I; it is unclear if the pharmaceutical composition of claim 42 relates to compositions of compounds of claim 1.

It is also noted that in applicants remarks filed 03/04/2008 the indicated line numbers in the specification as support for the proviso in claim 1 is incorrect.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within

TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
